

**Border Collie Club Zwolle cordially invites you to compete in the Dutch International Sheepdog Trial, a challenging trial held in Zwolle, Holland, on Friday July 20 and Saturday July 21 2012.**

Whether you are already trialing in Holland or want to get a taste of the Dutch trialing fields before going to the CSC or just want to get trialing experience outside of your normal trialing fields, you don't want to miss this trial!

The course on Friday will be different from the course on Saturday. On both days you can choose between a 275m outrun OR a 400m outrun.

At the end of the 400m trial on both Friday and Saturday, the numbers 1 and 2 of that day will compete in a special course with a double gathering to determine who will be the winner!

On Saturday we also have the brace competition, if we have enough competitors.

Please note that the dogs entered for the brace competition cannot run during the single competition on Saturday!! If you want to run one or both dogs in the single competition as well, your run in the brace competition will be non-competitive.
